Print these pages onto **card-weight paper**, then follow the directions on the next page for making your inauguration pop-up. Printing on **matte** or **semi-gloss photo papers** will yield better images, although they are more difficult to cut.

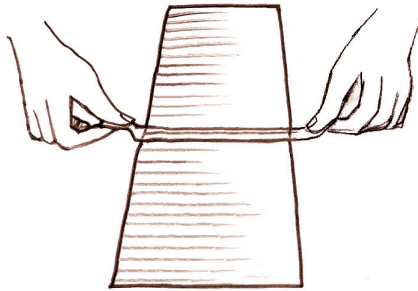

Pop-Up Instructions

What You'll Need

- Images and instructions printed on card-weight paper

- Scissors (for kids) and/or Xacto® knife (for adults)

- 2** Flip pages to back side. **Tape together** along short ends.

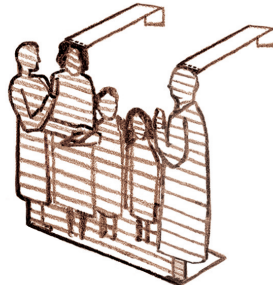

Cutting Out the Pop-Ups

- 4** Fold all tabs back along dashed green lines.

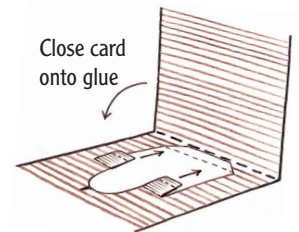

Assembling the Pop-Ups

- 5** Glue **Tab A** at bottom of Capitol to lawn page, with edge of tab along card's centerfold.

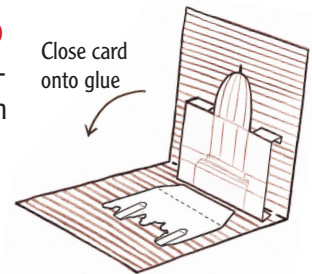

- 6** Push **Capitol** forward, face down on lawn. Pull **Tabs B and C** back toward card's centerfold.

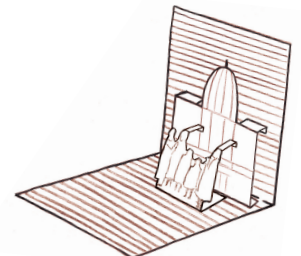

- 7** Glue ends of **Tabs B and C**, then close card onto glued ends.

- 8** Open card. Glue **Tab D** at bottom of presidential group onto lawn in front of Capitol.

- 9** Push presidential group forward, face down on lawn. Pull **Tabs E and F** back toward card centerfold.

- 10** Glue ends of **Tabs E and F**.
